Foundational Principles

Purpose

As stated in the Articles of Incorporation, Heritage Homeschool Co-op (Heritage or co-op) was established to “provide access to non-denominational Christian academic instruction in accordance with New Testament Scriptures and to provide support to the local homeschool community.” Thus, any class instruction must comply with the above statement and must fulfill this purpose.

This is how Heritage defines “in accordance with New Testament Scriptures”:

Statement of Faith

- We believe in one God, eternally existent in three persons: The Father, the Son, and the Holy Spirit. Gen 1:1-2; Deut. 6:4; 1 Cor 8:6
- We believe the Holy Bible to be the divinely inspired, inerrant and final authoritative word of God. 2 Tim 3:15-17; 2 Peter 1:21; John 17:17
- We believe in the deity of Jesus Christ and that He was virgin born, sinless, died on the cross, atoned for the sins of the world, was physically raised from the dead on the third day, which ensures the resurrection of all believers who have personally received Him, and He is coming again. Luke 1:26-35; John 3:16; Rom 4:24-25; Rom 5:1-11
- We believe the Holy Spirit, whom every believer receives at conversion, leads, and guides us. John 16:4-15; Rom 8:9-11
- We believe all human life is sacred and created by God in His image, created male and female, and therefore any contrary expression of sexuality and gender is outside of His good design. Gen 1:26-27; Mark 10:6; Matt 19:4
- We believe man is by nature a sinner from birth, separate from God, and eternally lost until salvation. Gen 3:6,13; Rom 3:20-23; Jer 17:9
- We believe salvation is a free gift, bestowed by God’s grace, and received by faith in Jesus Christ alone. Eph 2:8-9; Rom 5:8,17; Rom 6:23; Rom 10:9-13
- We believe the church is the body of Christ and the bride of Christ. 1 Cor 12:27; Rev 19:7; Eph 5: 22-32
- We believe marriage, as a symbol of the relationship of Christ and the church, means the uniting of one man and one woman for a lifetime commitment. God created intimate sexual activity for mutual satisfaction and procreation within the security and commitment of this exclusive one -flesh bond. Eph 5:22-32; Gen 2:22-25
- We believe in the spiritual unity of all who believe in Jesus Christ and that believers are called to be in the world but separate from it. Eph 4:1-3; John 15:19; James 4:4
- We believe Christians are endowed with spiritual gifts which enable them to minister in the church. 1 Cor 12:1-11; Eph 4:7-13
- We believe the purpose of the church on earth is to fulfill the last command of Jesus, which is to make disciples of all men. Matt 28:19-20

Agreement with these statements is not required for participation in the co-op. However, all families must commit not to contradict these statements, in word or deed, while participating in Heritage activities or within Heritage venues.

Mission Statement

The mission of Heritage is to partner with families pursuing a home-based education to provide academic instruction and community in a Christ-centered environment.

Parent Cooperation (Roles)

Heritage is a cooperative organization run **by** homeschool families, **for** homeschool families. Every parent is assigned job roles to share in service to the Heritage community for it to function. By joining the co-op and registering for classes, you are agreeing to share your time and your skills to serve the community.

Assignments

To ensure the proper functioning of the co-op, each parent must fill a minimum number of roles each Monday of classes. In addition to these required roles, Heritage also relies on volunteer hours provided by our parents to fulfill various administrative needs during the week. Please inquire with a member of the board for more information about these additional service opportunities.

The minimum number of required roles a parent must fill each Monday depends on the number of hours the family is registered in classes:

1-2 hours registered = 1 role

3-4 hours registered = 2 roles

5 hours registered = 3 roles *Required roles subject to change depending on the enrolled number of families*

It is imperative that each parent reliably fulfill his or her role(s). When a parent is late or unexpectedly missing, it affects the functioning of the class and places an additional burden on remaining parents. For this reason, parents who repeatedly fail to fulfill their roles may lose their good standing status with the community and their membership will be reviewed by the board. While roles vary in description and requirements, in general, to remain in good standing in your role(s) you must:

- Be on time (5 minutes early is preferred).
- Remain in your role until finished or until class is dismissed (classroom assignments).
- If you must be absent, you are required to find a substitute via the online system.
- If helping in a classroom, be helpful to the teacher, as requested by the teacher.
- Be available and **respond promptly** to requests as an alternate or substitute.

Occasionally parents may be asked to serve in a temporary role not regularly assigned. Please respond to requests in a timely manner. Your willingness to help where needed will help our cooperative organization run smoothly.

Role Assignments

Prior to the start of the year, on-site parents will be given an opportunity to request their role(s) from the open positions available. Once roles are confirmed, if you make a change to your student's class registration(s), your roles will **not** automatically change. Please request a change from the coordinator **before** changing your student's classes. We will make every attempt to re-assign your roles, but it is **not** guaranteed.

Childcare

Children are not allowed to accompany their parent while serving in a role, unless specifically indicated as allowed in the role description. Children are allowed in a classroom **only** if they are an enrolled student. This is true of all children, regardless of age.

Heritage strives to provide classes every hour for children who are at least 3 years of age by the start of the academic year. Parents with nursery aged children may be assigned to serve in the nursery for their required roles.

Policies & Procedures

Heritage is a faith-based, cooperative organization of families voluntarily united to assist one another in providing a home education. Class instruction is provided by independent instructors who determine the course content and agree to teach consistent with Heritage’s Purpose, Statement of Faith, Mission Statement, and Handbook. Heritage is governed by a volunteer Board of Directors (the Board) and the Board maintains supervisory authority over the administration of all Heritage business. Heritage provides classes for kindergarten through 12th grade. To become a member, your oldest child must be at least 5 years old as of the first day of co-op classes of the current academic year.

Heritage policy requires that a parent or legal guardian remain on campus (the On-Site Parent), within the Heritage boundaries, while their children are at Heritage. Dropping off children is not an option. Parents assume full responsibility for their children at all times and will be contacted if disciplinary issues arise.

On Mondays, during co-op hours, the Board maintains a Welcome Table area, located near the entrance, to assist members and visitors, answer questions, and other general administrative activities.

All adults and teens 13 and up are required to wear a current-year Heritage name tag, easily visible, at all times while on campus. Primary on-site parent name tags and teen tags are provided. Additional parent nametags and replacement nametags are provided for a fee to cover the materials. Nametags, permanent or visitor, are required on campus.

Visitors

All adult visitors are required to sign in at the Welcome Table and wear a visitor name tag while on campus.

No pets are allowed on church premises except for working service dogs.

Sick and/or contagious students, family members, teachers, or visitors may not be on campus. Children and adults must be fever free for 24 hours before returning to Heritage.

Classes cancelled due to teacher illness will be posted at the Welcome Table. Parents unable to attend Heritage due to illness, and therefore unable to fulfill their assigned role(s) for that day, must follow the substitute process outlined on the Heritage website.

Because Heritage is not a school or a childcare center licensed by the state, it is not required to collect immunization/vaccination information.

Heritage Closure/Snow Policy

In case of snow or ice, the Board will assess the conditions and make a decision about in-person learning by 6am. If you receive no communication from Heritage, we will be meeting as usual. In this event, we will update the website homepage with this message. In the event the Board feels it necessary to delay start or cancel in-person learning, members will receive a text and email from Heritage and the website homepage will be updated with this information. Please see the Heritage schedules for the Late Start Schedule. If in-person classes are canceled, classes will meet online, with teachers providing remote instruction, when possible.

Communications

Email – The Weekly Update (also known as the TTK or Things To Know) is distributed via email on Fridays and contains important information for Heritage members. Class communications and community forum posts from the website may also be sent via email.

Text Message – Used for urgent and important messages for all members.

Facebook – Heritage manages a private group on Facebook for current member parents. Parents may request to join the group “Heritage Homeschool Co-op (Bellevue, WA)” via Facebook.

Member Directory – A member directory is maintained on the website for use by current members only. Directory information and electronic communication methods are provided for social and academic connections, not for advertisement, solicitation, or political endorsement, unless otherwise specified.

Emergency Procedures

A first aid kit is located at the Welcome Table. The Welcome Table Board Binder contains a list of first responders on campus as parents. Fire, earthquake, and active shooter response guidelines are located in the classroom folders in each classroom. In the event of a fire, earthquake, active shooter scenario, or other emergency, please **do not** attempt to retrieve your child from their class. Please follow the instructions below:

Fire – If a fire alarm goes off (or if there is visible smoke/fire) everyone must evacuate along assigned routes to the parking lot. Those in class (i.e., teachers, class helpers, students) must evacuate with their class, according to classroom evacuation procedures, and line up behind their room number sign/folder. Those not in class must also evacuate. All classes must remain together in place until released by a Heritage board member or by emergency personnel. A fire drill will be held each fall to practice this procedure.

Earthquake - Drop, Cover, Hold. In the event of an earthquake, everyone should immediately drop under a sturdy table or move to an inner wall or corridor and assume the "duck and cover" position. It is important to stay away from windows, cover your head, and hold on to your shelter until the shaking stops. Remain where you are until given further instructions. To adequately account for each student during an emergency, Heritage requires all students to remain with supervising adults in class, Study Hall, or the Student Center until it is safe.

Active Shooter – Run if there is an escape path. If running is not an option, hide. As a last resort, fight by attempting to incapacitate the shooter. If safe to do so, gather in the Heritage parking area. Call 911 when you are safe.

Child Protection Policy

To safeguard the children and youth in our organization, we have developed this Child Protection Policy for Heritage. Our desire is to continue to provide a safe environment where our children can grow and learn. In addition, our aim is to maintain the safety and reputation of the teachers and volunteers that make Heritage possible.

Two-Adult Rule

We want to provide a safe, loving classroom with enough caring volunteers so that children feel comfortable and real learning can take place. Our goal is to have a minimum of two adults in any room with children, except in the event of an emergency.

At least two adults must be present for all classes and in the nursery. Teen volunteers (under the age of 18) can assist but only under the supervision of at least two adults.

At no time will an adult meet with a child alone in any room or any area where they cannot be seen.

Background Check

All teachers and on-site parents (those regularly staying on campus with their children during the co-op day) are required to submit to a Washington State background check each year. The resulting information will be kept secure and confidential by the Heritage Board. Additional parents who wish a permanent academic year name-tag will be required to complete the Washington State check.

Ministry Safe

All Board members and teachers are required to certify with Ministry Safe. This program will also be made available to parents during co-op hours when scheduled.

Bathroom Procedures and Diaper Changes

We ask all parents of preschoolers to take their children to bathroom breaks before or after class.

It is inappropriate for adults to be in a closed-door situation with a child who is not their own. We need to go out of our way to make this a safe and private time for children.

Infants & Toddlers: Diaper changing should be done at diaper stations and in close proximity to other care providers.

When taking children to the restroom, adults will visually check the restroom for adults, older children, or unsafe objects before sending children in. When it is necessary to supervise children in these situations, intrude only to the extent that the health and safety of the children require.

2 & 3 Years Old: Bathroom doors should remain open; parent may be called if child requests assistance.

4 & 5 Years Old and Older: Permission granted to use bathroom; parent may be called if child requests assistance. Adult may walk child to bathroom but must stay in hallway.

Crossroads Facility

Heritage is independent of the operation of Crossroads Bible Church (Crossroads); please do not communicate with Crossroads regarding Heritage matters. All inquiries should be addressed to the Heritage Board (contact information found in the member-only area of the Heritage website). If an emergency arises on a Monday and you need to reach someone immediately, please call the Board president at 425-669-9793.

Building Boundaries

Heritage rents specific spaces from Crossroads for specific hours. Our rental agreement specifies that we will not have members/participants (children or adults) beyond the agreed upon boundaries. Please do not jeopardize our ability to use the facility by going beyond these designated Heritage areas.

Heritage Parking – Crossroads requests that all Heritage members park on the **east** side of the property, which is the parking area closest to the I-90 freeway. Please do not park in spaces marked for Crossroads staff.

Heritage Entrance/Exit – All members are required use the **east side door**, accessed from the Heritage parking area, **for both entry and exit**. All other exterior doors within our boundaries will be locked and used for emergency exit only.

Student Center – The Student Center is our main gathering space and is available for all members to use if they are not in class or servings in a role. If your children are in the Student Center, please be sure they do not play on or around the stage, speakers, or sound equipment. **Playing with the game tables in any way is prohibited.**

MAC Lounge – The MAC Lounge is available for all members to use if not in class or serving in a role. Please do not move the tables, chairs, or other furniture.

Main Street Foyer - Families may use the chairs along the walls in the Main Street Foyer with the understanding that there will be no food and only covered drinks in this area. If choosing to use this area, please do not move the furniture and be sensitive that classes are taking place nearby. Noisier activities should be conducted in the Student Center. Please clean/straighten up after yourself and your children.

MAC Gym – The gym is primarily used as a classroom space. Absolutely no food is allowed in the gym at any time; no beverages other than water are permitted. The gym is available during the lunch hour for parent-supervised play, but **not** for picnic lunches. Please vacate the gym by 12:50 PM in preparation for 4th Hour PE classes.

Teen Area – Students 13 years and older may use this designated area when not in class. Located in the MAC foyer, directly across from the gym, food and beverages are permitted, but the area must be left tidy, free of all wrappers, crumbs, and spills. Tables and chairs are **not** to be moved. If the area is misused, the privilege will be revoked.

Playground – Crossroads graciously allows our families use of their outside playground during co-op hours. Playground equipment is to be used by children age 10 and under only. **Children must be supervised by an adult at all times while in this area.**

Study Hall – A monitored Study Hall is available for students who have a free hour. Students may use this time for reading, homework, or other quiet activities. Students must sign in with the supervising parent helper each week.

Classrooms – We do not rent all classrooms on the Crossroads campus. To use a room believed to be empty, please speak with a board member first.

MAC Elevator – The elevator to the second level 800 rooms is for use by teachers and parents only. Students/children are not to use the elevator unless given specific permission by the Board due to need.

Eating Areas

Other than the areas listed below, all other classrooms/play areas should remain empty during the lunch hour. (In other words, you may not simply pop into an empty classroom for lunch).

Student Center – The Student Center is our primary lunch location. Families may eat at the tables or put down a blanket or towel for a picnic lunch. Please be sure all wrappers, crumbs and spills are cleaned up when finished.

MAC Lounge – The MAC Lounge is available to all members for lunch. Please be sure all wrappers, crumbs and spills are cleaned up when finished.

Room Green 5 - Located across the hall from the Student Center entrance, Green 5 is available for families to put down a blanket or towel for picnic lunches. Please be sure all wrappers, crumbs, and spills are cleaned up when finished. ***The room must be vacated by 12:50 PM in preparation for 4th Hour class.***

Playground/Outside – Families are welcome to use the playground as a picnic lunch location, weather permitting, as well as the grassy area next to the Heritage entrance. Please be sure all trash is cleaned up when finished.

Teen Area – The Teen Area located in the MAC foyer, across from the gym, is available for students 13 years and older for lunch. The area must be left tidy, free of all wrappers, crumbs, and spills. Tables and chairs are **not** to be moved. If the area is misused, the privilege will be revoked.

Nut Allergies – A nut-free lunch location is available. Please contact a board member for more information.

The MAC second floor 800 level rooms and hallway are NOT lunch locations and must remain vacant during the lunch hour.

Finances

School district funds may not be used to pay for tuition, fees and/or registration.

Non-Refundable: Registration fees, materials fees, and tuition are non-refundable.

Fees

Each registering family is responsible for paying the following fees:

Membership Application Fee – This one-time fee is required for all new families applying for membership to Heritage for the first time and is non-refundable. The Membership Application Fee for 2023-24 is \$40.

Family Fee - This annual fee (charged per family) is due at registration. The Family Fee for 2023-24 is \$185. Family fees help Heritage cover the cost of rent, insurance, professional services, and other overhead expenses.

Materials Fee - Most classes charge a fee to cover the cost of materials; fees will vary depending on the class. This fee is due May 15 (or at the time of registration, if registration occurs after May 15). Materials Fee amounts, if required, are listed with each class in the Class Listing on the website.

Tuition - The annual tuition, as listed in the class offerings, is divided into monthly installments based on the number of weeks in a month. The first of these installments is due Monday, May 15 2023 (or at the time of registration, if registration occurs after May 15) and will include 3 weeks for September 2023 and 3 weeks for

May 2024 (first and last months). Subsequent installments are due on the last business day of each month during the co-op year (September through March. See schedule below).

In the event these amounts are not paid in a timely manner, Heritage may cancel your class registration to make room for other students. Exact amounts and due dates for all payments can be found by logging into the Heritage website and clicking on "Balance" at the top. *Please do not pay for the entire year in advance as all payments are non-refundable.*

Payment Due Dates

Beginning in September and continuing through March, families are responsible for paying tuition installments on the last business day of each month. Monthly tuition amounts will vary based on the number of weeks for the following month.

In summary, here are the due dates for the above-mentioned fees:

April 2023 – Family Fee due registration day	November 30, 2023 – December tuition due

October 31, 2023 – November tuition due	February 29, 2024 – March tuition due
	March 29, 2024 – April tuition due

Payment Methods

Heritage’s preferred payment methods are check or cash (exact change only). Zelle is also accepted. In-person payments can be made at the Welcome Table during any co-op day. Checks may also be mailed to the Heritage mailing address found on the Heritage website. Please allow sufficient time for mailed checks to be received by the due date.

Zelle payments may be sent to TREASURER@HERITAGEHSC.ORG. To make a Zelle payment, locate the total amount due for the current period (this may require combining totals manually), open the Zelle app or select Zelle through your financial institution, and send funds using the above email address.

Delinquent Fees and Penalties

- Payments not received by the due date are subject to a late fee of \$20 per week. If tuition is still owing 2 weeks after the due date, your child(ren) will be unable to attend classes until all overdue tuition and fees are paid in full.
- Insufficient Funds checks will incur late fees in addition to any NSF Fee charged to Heritage by the bank.

Short-Term Emergency Financial Assistance

Heritage maintains a budget for a modest financial assistance fund. These funds are available for short term assistance to Heritage members in good standing who are experiencing temporary unexpected financial hardship. For more information, please contact the treasurer or another board member.

Registration

Class Changes

Please register for classes with the intent to participate through the end of the co-op year. However, if withdrawal from a class is needed, the registrar must be notified prior to the 20th of the month to avoid being responsible for the following month's payment(s). If a class is dropped, all previous payments made for the class are forfeited. Class withdrawals may not be made after Monday, January 22, 2024.

Age Exemptions

Each teacher carefully determines the age and grade range appropriate for the material they are teaching. Online registration is structured to restrict class registration to the assigned age/grade range. As homeschoolers, we have the freedom to determine the grade level at which our student is working, keeping in mind maturity level and specific learning abilities. In your online Heritage student profile you may determine the grade that best fits the overall level of your student.

Recognizing that each child is a unique learner, we allow for requests to be made for exceptions. These exceptions are entirely at the discretion of the teacher. If you wish to enroll your student for a class that does not fit the overall grade of your student, exemptions are requested using a form submitted to the Registrar and Placement Coordinator. While we encourage you to communicate with teachers about their classes, especially at the annual Class Fair ahead of Spring Registration, to learn about the curriculum and rigor, parents are requested to **not** ask the teacher directly for an exemption for their student. These decisions need to be made by the teacher with reflection and privacy.

Classes

Students should arrive five minutes before class is scheduled to begin.

Parents will be contacted if a disciplinary problem arises. Continued discipline issues may cause the student to be removed from class until the problem is adequately addressed. If the problem cannot be corrected satisfactorily, the student may be permanently removed from class and/or Heritage.

Siblings and visitors are not allowed to attend classes in which they are not enrolled. Parents and students are not permitted to audit or visit a class without board approval. However, parents are welcome to ask the teacher's permission to sit in on their own students' classes. Study Hall, the Student Center, the MAC Lounge and the Teen Area (13 years and older) are available for students who have a free hour. **Students may not roam the building or loiter outside during class time.**

All students are required to take a hall pass with them when they leave class.

Preschool classes: Preschool classrooms do not have attached bathrooms. To assist our teachers and Class Helpers, we ask all parents of preschoolers to take their children for bathroom breaks before or after class.

Class Cancellations

In the event of class cancellation/teacher absence, reasonable effort will be made to notify parents prior to class time. If you are unable to supervise your child because you are serving in an assigned role, your child may attend the Study Hall (please check in with the supervising parent). **Tuition is not refunded for cancelled classes due to teacher illness/absence.** If you feel your student's classes are being cancelled on a frequent basis, please contact the teacher coordinator or other board member.

Personal Conduct

While on campus, teachers, students, and parents are expected to conduct themselves in a manner consistent with our Foundational Principles. This includes, but is not limited to, the guidelines listed below. The Heritage Board reserves the right to determine which behaviors, in its sole discretion, will be deemed a violation of this handbook or otherwise disruptive to the learning environment.

Plagiarizing someone else's work, including using words/ideas of another student or using the internet without citing the source, will not be accepted.

Online Conduct

At times classes may need to meet in various online spaces. Additionally, Heritage students, teachers, and parents make use of online resources such as forums, on the Heritage website. Online Classes – Parent Helpers

When helping with online classes, Parent Class Helpers are expected to:

- Log in to their class/meeting on time (5 minutes early is recommended).
- Remain in the meeting until class is dismissed to assure Heritage’s two-adult policy is always followed (two adults in each class).
- Adhere to all other class helper responsibilities as stated in the Parent Cooperation (Roles) section of this handbook. Failure to fulfill your assigned role(s) will result in a warning and your good standing status to be immediately under review by the Heritage Board.

Online Social & Community Platforms

Any current or developed online social and community environment for Heritage member interaction is governed by the Heritage Statement of Faith and the oversight of the Board.
